Point Value: 70 Points – Will be Averaged into the 4th 9 Weeks Grade

After Effects Virtual Flip Book

Choose at least 30 seconds or more of a video clip to animate using Adobe After Effects. You may use a video clip that you download or you may create your own. You may work in groups to produce a video but each of you would need to animate the final video clip in your own way and submit it as an .mp4.

Grading Rubric

- Import video into Adobe Premiere
- Link Video from Adobe Premiere to Adobe After Effects
- Add animation in After Effects – remember to save both AE file and Premiere Pro file
- Export your video using Adobe Media Encoder to an .mp4 format
- Animate 30 seconds with at least 180 frames of applied animation
- Save your After Effects file
